

The image shows a handwritten digit '4' rendered in a thick, black, pixelated style. The digit is centered within a 32x32 pixel grid. The x-axis and y-axis are both labeled from 0 to 30 in increments of 5. The digit is composed of several distinct strokes: a vertical line on the left, a horizontal line across the middle, and a diagonal line on the right. The overall shape is a stylized, blocky representation of the number 4.
