

A pixelated black and white image of a stylized tree or plant, centered on a white background. The image is composed of black pixels forming a symmetrical, branching structure. The x-axis is labeled from 0 to 30, and the y-axis is labeled from 0 to 10. The tree has a central vertical trunk and several horizontal and diagonal branches, creating a symmetrical, branching pattern. The overall shape is roughly circular, with the widest part in the middle. The image is rendered in a low-resolution, pixelated style, typical of early digital art or video game graphics.
