

A pixelated black and white image of a stylized figure, possibly a person or a character, with a large head and a small body, set against a white background. The figure has a large, rounded head with a small, pointed nose and a small, curved mouth. The body is small and rectangular, with a single leg visible. The figure is positioned in the center of the image, with its head facing left. The image is composed of a grid of black and white pixels, giving it a low-resolution, digital appearance.
